Purpose of this FSG

This Financial Services Guide (FSG) will help you decide whether to use the services that we offer. It contains information about:

- The services we offer and their cost
- Any conflicts of interest which may impact the services
- How we are remunerated
- How we deal with complaints if you are not satisfied with our services.

Our Licence

Wealthpool Advisers holds an Australian Financial Services Licence. It is required to comply with the obligations of the Corporations Act and the conditions of its licence. This includes the need to have adequate compensation arrangements in place with a Professional Indemnity insurer for the financial services that its current and past representatives provide.

Our Services

We are authorised to provide personal advice and dealing services in the following areas:

- Superannuation and SMSF
- Retirement planning
- Portfolio Management
- Managed investments
- Personal risk insurance

The financial advice process

We recognise that the objectives and personal circumstances of each client are different.

Where we provide personal advice, we will listen to you to understand your objectives and circumstances. We will also ask questions to make sure we provide advice which is in your best interests.

When we first provide personal advice to you it will be explained thoroughly and documented in a Statement of Advice (SoA) which you can take away and read.

The SoA will explain the basis for our advice, the main risks associated with the advice, the cost to you of implementing the advice, the benefits we receive and any conflicts of interest which may influence the advice.

For administration platforms, managed funds and personal risk insurance products we will provide you with a Product Disclosure Statement. This contains information to help you understand the product being recommended.

At all times you are able to contact us and ask questions about our advice and the products we recommend.

You can provide instructions to us in writing, via phone or via email. In some cases, we may require you to provide signed instructions.

We may provide further advice to you to keep your plan up to date for changes in your circumstances, changes in the law and changes in the economy and products.

If we provide further advice it will typically be documented in a Record of Advice (RoA) which we retain on file. You can request a copy of the RoA document at any time up to 7 years after the advice is provided.

Fees

Advice Preparation Fee

The Advice Preparation fee includes meeting with you, the time we take to determine our advice and the production of the SoA.

The Advice Preparation fee is based on the scope and complexity of advice provided to you. We will agree the fee with you before providing you with advice.

Advice Implementation Fee

If you decide to proceed with our advice, we may charge a fee for the time we spend assisting you with implementation. We will let you know what the fee will be in the SoA.

Ongoing Services Fees

Our ongoing service fees depend on the ongoing service that we provide to you. The fee may be a fixed amount or based on the value of your investments. Fees are paid monthly and agreed with you in writing.

Commissions

We receive commissions and other benefits from some product providers. The commission or benefit will vary depending on the recommended product and will be documented in the SoA or RoA.

Insurance Commissions

We receive a one-off upfront commission when you take out an insurance policy that we recommend. We also receive a monthly commission payment for as long as you continue to hold the policy.

Investment Commissions

For investments established before July 2014, we may receive a monthly commission payment from some investment providers. This will be based on your account balance and will continue to be paid for as long as you hold the investment.

Other Benefits

We may receive other benefits from product providers such as training, meals and entertainment. Details of any benefits received above \$100 will be maintained on a register which is available to you on request.

Adviser Remuneration

David Kissane is a director and owner of Wealthpool Advisers. He is remunerated through the profits that the practice makes.

Britt Kingsley is an employee of the practice and is paid a salary. She may also receive a performance bonus based on the total profit of the practice.
